

# **Jarden Consumer Solutions Recalls Bonaire Oil Filled Heaters Due to Scald Hazard**

## **Summary**

**Name of Product:** Bonaire Oil Filled Heaters Models BOH1503 and BOH2503D

**Hazard:** The oil filled heaters can spray heated oil, posing a scald hazard.

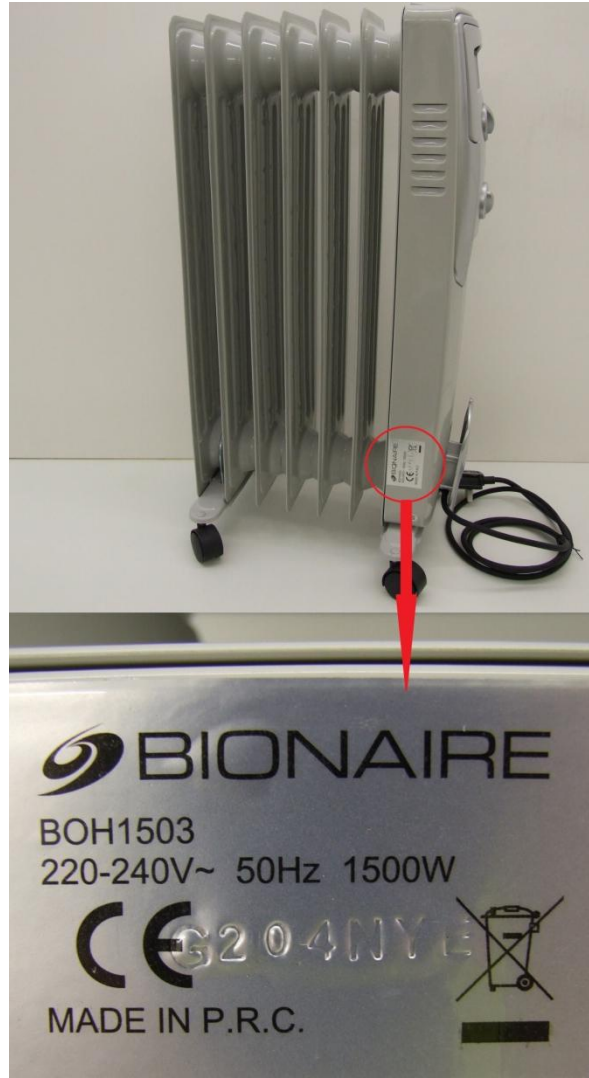

**Remedy:** Consumers should immediately stop using the recalled heater, unplug it and contact Jarden Consumer Solutions for instructions on how to obtain a full refund.

**Consumer Contact:** Jarden Consumer Solutions at 0800 525 089 or online at [www.bonaireuk.co.uk](http://www.bonaireuk.co.uk) and click on “Oil Filled Heater Recall” for more information.

## **Recall Details**

**Description:** This recall involves Bonaire oil-filled heaters sold in Black and White. The heaters included in the recall are about 60cm tall, 20cm wide, 40cm long and have model number BOH1503 or BOH2503D printed on a label on the side near the bottom of the product. The “Bonaire” logo is near the power switch and temperature control. The only products affected have a date code on the heater plug blade and/or rating label within the following range: G166 through G296 (note: some products may just have a number, with no “G”). No other date codes are affected.

**Sold:** From August 2014 to November 2014 for approximately £54.99 to £94.99.

**Contact:** Jarden Consumer Solutions (Europe) Limited, Vine Mill, Middleton Road, Royton, Oldham, OL2 5LN.
